Payment Options

Payment must be received at least two weeks prior to your visit. All group members will be individually ticketed with admission wristbands. Anyone without a wristband must pay the current gate rate. Please see below for Zoo member policies. The Pittsburgh Zoo & Aquarium offers two payment options:

(1) Credit Card to Hold Payment: Credit Card information must be provided at least two weeks prior to your trip date. On the day of your visit, you may return any unused wristbands and pay only for what you use (must pay for a minimum of 15). Unused wristbands must be returned and payment must be made upon arrival on the day of your visit at either the admission gates or the Education Reservations office located in the Education Complex. We will not charge your credit card until we receive your approval on the day of your visit. You may also choose to pay with cash or a check on the day of your trip. Refunds cannot be given for checks made out in an incorrect amount. If you leave Zoo grounds without returning wristbands and authorizing payment, your card will be charged and a receipt will be emailed.

(2) Check payment: If you choose to pay in advance by check, we must receive the check at least two weeks before your visit to the Zoo. Once you pay by check, any unused wristbands are yours to keep. They can be used for regular admission on any day. We cannot issue refunds for orders paid by check under any circumstance.

Payment policies for Zoo members:

- Zoo Member policy for Learning Adventures programs:
Member adults chaperoning the trip can go through the Membership window with their membership card and appropriate identification. They should not receive a wristband. Member students that are visiting, whether or not their parent is present, must pay the same fees as their classmates for the educational program.
- Zoo Member policy for self-guided tours only:
Member adults chaperoning a school or group visit to the Zoo are permitted to use their Membership for themselves and their child and do not need admission wristbands. Please bring your membership card and proper identification. Member students who do not have a parent attending are not permitted to use their Zoo Membership.

Late Payment Policy

Payment or credit card to hold information is required at least two weeks prior to your trip date. If your payment arrives after your payment due date, you will have to pick-up your wristbands in the Reservations Office at least two business days ahead of your trip date. If wristbands must be mailed there is a \$30 overnight mail fee. Wristbands cannot be picked up on the day of the field trip. Reservations received less than two weeks in advance will also incur a \$30 late fee.

Cancellation Policy

Learning Adventure programs can be rescheduled without penalty based on availability. Self-guided tours can be rescheduled without penalty for any day. If you have chosen credit card to hold, received your wristbands and need to cancel your trip, please return the wristbands to the office as soon as possible to avoid being charged the full amount. Your credit card number will be shredded when the wristbands are received. If you have paid in full by check, no refund will be given. The wristbands are yours to keep and use any day.

- We ask that all schools and/or groups have proper adult supervision with at least one adult for every ten students, regardless of grade level. If possible, one adult for every five students is preferred.
- If participating in a Learning Adventures classroom program, up to 4 school staff are required to be in the classroom with the students.
- All supervisors/chaperones must stay with their groups at all times. Each school/group is responsible for any damage or inappropriate student/chaperone behavior. Grades 6 through 12 will be asked to sign a visitation agreement outlining behavior and chaperone guidelines. This agreement form will be attached to your email confirmation along with your invoice. We have the right to remove any person or group from Zoo grounds due to inappropriate behavior. Please be sure that all chaperones are aware of their responsibilities through the entire visit.

- Please make sure all students/adults are wearing their wristbands before exiting the bus.
- During our busiest months (April-May) we will have a greeter to meet your bus and provide you with information. The greeter will need to know the number of attendees in your group. During our less busy months, your trip organizer may proceed to the admission gates for check-in. Please do not allow your group to loiter on the entrance plaza at any time.
- Before you arrive, please take the time to review and share the Pittsburgh Zoo & Aquarium policies: <https://www.pittsburghzoo.org/policies>
- You are welcome to pack lunches (no glass containers or alcohol is permitted); however Zoo staff is not able to transport them for you.
- We are a tobacco-free Zoo. Smoking, chewing, and vaping are prohibited on Zoo grounds.
