

CELEBRATE EARTH DAY

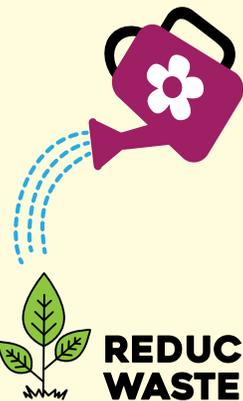

Help our planet, try these simple tasks at home and in your community. How many can you check off? Send this list to your friends and see who can check off the most.

SAVE ENERGY

- Turn off the faucet while brushing your teeth
- Keep your showers quick, 10 minutes or less
- Help with the laundry by only washing full loads and using cold water
- Turn off the lights, TV, and other electronics when not in use
- Unplug chargers and appliances when not in use
- Help with the dishes by only running the dishwasher with full load
- Keep a pitcher of water in the refrigerator so you'll have a cold drink rather than running water from the tap
- Think ahead and don't keep the refrigerator door open too long
- Use curtains or blinds on your windows to block the sun on hot days or to let it shine in on cold days
- Use fans on hot days rather than turning the air conditioning to a cooler temperature

TOTAL ENERGY TIPS

REDUCE WASTE

- Donate toys and games you no longer need instead of throwing them away
- Say no to plastic dinnerware, utensils, and straws
- Replace paper napkins with reusable cloth napkins
- Take reusable bags to the store so you don't use plastic or paper bags
- Save gift bags, wrapping paper, and bows to reuse when giving a gift
- Use rechargeable batteries
- Join your local library and borrow books rather than buying new ones
- Try new recipes at home rather than ordering take-out
- Plant a vegetable garden or buy produce from a local farmers market
- Use a watering can rather than a hose to water plants

TOTAL WASTE TIPS

CREATE WILDLIFE FRIENDLY YARDS

- Plant native flowers and trees for pollinators and other wildlife
- Provide shelter with clippings from pruned trees, shrubs, and vines
- Hang a bird house, butterfly house, and/or bat house for more shelter options
- Provide freshwater in a birdbath or a small pond
- Help an adult organize a litter pick-up in your community
- Keep your trash in cans with tight-fitting lids
- Keep pet food indoors to avoid accidentally attracting wildlife
- Keep pets indoors or on a leash when outdoors
- Never release unwanted pets outdoors
- Do not use harmful pesticides in your yard
