

•• LEARNING •• ADVENTURES

for Kindergarten

INTERACTIVE PROGRAMS AT THE ZOO

Our Pittsburgh Zoo & PPG Aquarium Education Specialists will guide your kindergarten students through one of our interactive classroom programs, featuring gentle encounters with live animals and biofacts. Kindergarten Learning Adventures can accommodate classrooms up to 25 students and last 45 minutes.

KINDERGARTEN PROGRAMS

Zoofari

Take a fun trip around the world without ever leaving the Zoo! Students will learn about animals from the steamy rainforest, the searing African savanna, the coral reefs, and North American forests.
