

# VIRTUAL •• LEARNING •• ADVENTURES

for Kindergarten

## VIRTUAL INTERACTIVE PROGRAMS

Our Pittsburgh Zoo & Aquarium Education Specialists will guide your kindergarten students through one of our interactive virtual classroom programs, featuring gentle encounters with live animals and biofacts. Kindergarten Learning Adventures can accommodate classrooms up to 25 students and last 45 minutes.

## KINDERGARTEN PROGRAMS

### Zoofari

Take a fun trip around the world without ever leaving the your classroom! Students will learn about animals from the steamy rainforest, the searing African savanna, and North American forests.

Your Learning Adventures  
are generously sponsored by
