

KidScience Scholarship Info

Please know that the number of KidScience scholarships awarded is limited. Scholarships are based on financial need and are granted based on application materials and interview.

In order to be eligible for scholarship consideration, parents/guardians must meet one of the following criteria

(please check all that apply):

- Live in a household that currently qualifies for assistance in the form of food stamps,
- Live in a household that qualifies for medical assistance,
- Or have school-aged children that qualify for free or reduced-price school lunches.

(Documentation of one of the above should be submitted along with other application materials.)

Parent/Guardian's statement: By signing below, you are agreeing that the information you have provided is accurate to the best of your knowledge. All scholarship information is kept confidential.

The Pittsburgh Zoo & PPG Aquarium reserves the right to revoke a KidScience scholarship at any time.
